Saginaw, Texas – **Arts Council Northeast** and the **City of Saginaw** are pleased to welcome **Blue Clear Sky** for a concert on May 16, 2019 at the Willow Creek Park Pavilion - 101 Knowles Dr..

Blue Clear Sky was founded by businessmen/musicians Marty White and Dennis Lee in 2009. The two had played together in smaller bands and decided to form a top-quality tribute act that could do justice to the music of George Strait. They recruited 5 other top, experienced Central TX musicians and started performing - amazing audiences all over the area with their spot-on renditions of Strait tunes and other country music standards. Blue Clear Sky's forte is playing the material by the King of Country Music better than anyone else - other than the King himself.

Through the MasterWorks Series, **Arts Council Northeast** and the **City of Saginaw** present free performances on selected evenings throughout the year. The MasterWorks Series is designed to offer a variety of quality family entertainment to the community by utilizing the talent of local, regional, and national artists.
