

CHANGES ARE COMING!

SAGINAW PUBLIC LIBRARY
SAGINAW ★ TEXAS

The Saginaw Library is getting a new computer system and joining a NEW group of public library partners in October.

We are joining the MetroShare library network, which includes:

BENBROOK	HASLET
BURLESON	KELLER
DECATUR	RICHLAND HILLS (not NRH)
FOREST HILL	ROANOKE
HALTOM CITY	WATAUGA

Starting October 17th, your Saginaw library card will be good at any of these libraries, or you can request their items for checkout here, like you have been able to from our current partners.

During the transition, from September 1st to October 17th, we will **not** be able to borrow items from partner libraries.

Please forgive the inconvenience!

We are excited to join a group of nearby libraries with a larger collection, an easy-to-use catalog, and more opportunities for collaboration.
