SAGINAW FIRE DEPARTMENT CLOWNS IT UP

The Saginaw Fire Department Life and Fire Safety (LAFS) clown troupe is scheduled to visit the elementary schools in Saginaw. Each October, which is fire prevention month, the LAFS clowns visit the elementary schools within the city to teach life and fire safety education. Vital and potentially lifesaving techniques are taught to the children. These techniques are possibly the only formal life and fire safety training that many of them will receive for the rest of their lives.

In the photo from L to Right – Firefighters John Cook, Joey Pope and Shea Enos along with Lieutenant Bobby Cartwright.
