

We can help you avoid risk of

Stroke or Heart Disease

Life Line Screening ultrasound technician performing a carotid artery screening to look for plaque buildup.

PREVENTIVE HEALTH SCREENINGS CAN DETECT YOUR RISK FOR SERIOUS DISEASE

At least 200,000 deaths from heart disease and stroke each year are preventable. The key is early detection and managing risk factors.¹

70% of people age 55+ have 2 or more risk factors, and many are not aware of it.²

What's Inside Your Arteries?

Normal artery allows the blood to flow easily.

As you age, arteries can become partially blocked.

Plaque build-up reduces your blood flow and can be dangerous if left untreated.

PACKAGE 2

Add an Osteoporosis Screening for only \$10 more — 5 tests for only \$149!

A \$181 savings!

Screening results are provided to you in 15-21 days. We direct all participants with abnormal results to take the report to their physician. Appropriate modification of risk factors (including high blood pressure, smoking, heart disease, diabetes and poor diet) is also necessary for cardiovascular disease prevention. Our screenings cannot detect all forms of stroke risk or cardiovascular disease. All tests are for screening purposes only. You should consult with your personal physician regarding your screening results. Insurance Note: Life Line Screening does not participate in the Medicare program and the cost of our screening services is not covered or reimbursable by Medicare. Life Line Screening does not file insurance claims nor provide referrals to any physician's group or hospital. Screenings in California are provided by Life Line Mobile Screening, a physician owned practice. Screenings in Kansas are performed by Life Line Screening of America, Ltd. on behalf of Life Line Screening Physicians, P.A. Screenings in New Hampshire, New Jersey and New York are performed by Life Line Medical Screening, LLC (Dr. Andrew Manganaro, 70 Niagara Street, Buffalo NY, 14202). Life Line Screening does not engage in the practice of medicine in those states. This information is not intended to induce referrals by Life Line Screening to Life Line Medical Screening, LLC for any professional medical service. Texas residents: Physician authorization is required. A Life Line Screening affiliated physician will provide authorization for you if you qualify. Cancellation Policy: A full refund is issued if you call to cancel at least 2 days prior to your appointment. If less than 2 days' notice is given, we will issue a Gift Card for the full amount to be used by you, or anyone you choose, to purchase future screening services.
