PERMIT REQUIREMENTS

- The following guidelines apply for this permit:
- 1) All irrigation systems must be installed in accordance with TCEQ requirements and Saginaw Ordinances. (rain & freeze sensors)
 - 2) All irrigation systems must be tested by a licensed Backflow Prevention Assembly Tester.
 - 3) Backflow test report must be turned in to the Permit Department upon completion.
 - 4) Inspections must be requested for all permits issued.
 - 5) Irrigation permit and inspection fee is \$50.00 (re-inspection fee may be assessed as necessary)

This permit, once issued, expires by limitation 180 days from the date of issuance unless construction is commenced and inspection approval is obtained within 180 days of issuance. The authority having jurisdiction shall be permitted to grant an extension of the permit time period for additional 180 days upon written documentation, by the permittee, of a satisfactory reason for failure to start or complete the work or activity authorized by the permit. **Only one extension will be allowed.**

I understand that all permits require a final inspection.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

NOTICE TO ALL PROPERTY OWNERS AND CONTRACTORS

IMPROVEMENTS MADE ON PUBLIC PROPERTY OR EASEMENTS

Any installation of a yard sprinkler system or placing of landscape materials within public property or easements will be the responsibility of the property owner to maintain, repair or replace as needed. The city will not be liable for costs incurred to private property owners who choose to make improvements on any public property or easements in the City of Saginaw. Before any landscaping or sprinkler system is allowed in public property or easements the property owner will need to return this acknowledge statement below.

Street and utility repairs may cause damage to a sprinkler system or landscaping which is located in public property or easements.

No sprinkler contractor is allowed to tie a sprinkler system into the water service until the acknowledgement below has been signed and submitted to the Inspections Department. **(Fax # 817-232-9868, P.O. Box 79070, Saginaw, Texas 76179)** We appreciate your cooperation in returning the required acknowledgement.

I, hereby acknowledge that the maintenance, repair or replacement of any landscaping or sprinkler system that I have installed on the public property abutting or easement on my property is to be solely at my expense.
