Community is made up of people, clubs, service organizations and institutions such as schools and your Saginaw City government. Your City services include everything from parks & recreation and libraries to fire protection and police activities.

Saginaw's citizens enjoy a balance of urban amenities and a small town quality of life. It's a community rich in heritage and traditional family values. The City of Saginaw operates under a Texas Home Rule charter, which provides for a Council Manager form of government with an elected mayor and a six-member city council. Day-to-day operations are overseen by a City Manager. With a pro-business attitude, the city representatives have looked to the future in designing the city's infrastructure.

After working hours, residents can retreat to any of the city's seven parks, some of which include playground equipment for the physically challenged. History of Saginaw

In 1848, David Thurmond and his family from Virginia first settled the City of Saginaw. In 1882, Jarvis J. Green from Michigan named the city Saginaw after a city in his home state. The first public school was started in 1893. In the later half of the 1800's, Saginaw was forever changed when the railroad decided to make Saginaw the last stop on their south-bound routes to Fort Worth. Saginaw prospered as the transportation dependent industry, such as grain storage and milling facilities, moved in to be near the railroad. Saginaw remains home to the largest grain storage facility in the world! Burrus Mills, now Cargill, Inc., was the launching pad for the western swing band "*The Lightcrust Dough Boys*".

The post office was established in 1933. The City was incorporated in 1949 with John Kennedy as the first Mayor. In 1966, with a population of 1,740, the citizens voted to build a new City Hall. In 1983, the

City Hall was moved to its current location on West McLeroy Boulevard. On January 16, 1988, the citizens voted to adopt a Home Rule Charter. The City is Home Rule with a Council-Manager form of government.

Anyone in Cycle One that does not receive their bill by the 5th of the month should contact the Water Department. Cycle One water bills are due by the 15th of the month. If the 15th falls on Saturday, Sunday, or a legal state or national holiday, the due date is extended to the next regular business day. Cycle One water accounts that are not paid in full by the 15th of the month will be charged a \$5.00 late charge.

Anyone in Cycle Two that does not receive their bill by the 20th of the month should contact the Water Department. Cycle Two water bills are due by the 30th of the month. Payments made be made in person at City Hall, 333 West McLeroy Boulevard, by mail, and through the City's website www.saginawtx.org. A drive-through window for payments is provided on the east side of City Hall. A drop box is located beside the drive-through window and may be used for payments at any time a receipt is not required and when the drive-through window is closed. Please do not leave cash in the drop box.

Failure to receive a bill, or payments delayed in the mail do not void a late charge. Accounts with past due balances over fifteen days will be scheduled for disconnection and a fee of \$25.00 will be added to the account balance. This fee applies once the cut off list is completed, even if the customer pays the account balance at the time the water crew arrives to disconnect the service. To avoid the disconnection fee, payments must be paid before the list is completed.

For accounts that are disconnected, if the amount required for reconnection is paid Monday through Thursday by 5:00 p.m., service will be restored by 5:30 p.m. on that same date. For Friday payments only, the amount required for reconnection must be paid by 11:00 a.m. and service will be restored by 11:30 a.m. on that same date. For payments made after 5:00 p.m., Monday-Thursday, and after 11:00 a.m. on Friday, service will be restored on the next business day.

NOTE: If payment of the reconnection amount is paid online, you must notify the Water Department of your payment to have your service reconnected (no later than 5:00 p.m., Monday-Thursday, and 11:00 a.m. on Friday).

If a resident turns the water back on, there will be an additional fee of \$100.00 plus repair costs for any damage caused to the service. To make arrangements for late payments you may contact the Audio Water Utility Line at (817) 230-0236. You may pay by check, cash or credit card (MasterCard or Visa Only).

To contact the Water Department, call (817) 232-4640. If a customer plans to be out of town during the payment period for either Cycle One or Cycle Two, arrangements may be made to pay an estimated bill or to pay the bill when the customer returns. There is a transfer fee of \$10.00 on accounts transferring from one location to another within the City. There is also a charge of \$25.00 on all returned checks. To terminate services, please fax, e-mail, or come in person with your request. Include your termination date, forwarding address, telephone number and email address. There is a final fee of \$10.00 applied to accounts when service is terminated. This fee is included on the customer's final bill.

SEWER CHARGES

The City of Saginaw uses the winter average calculation to determine monthly sewer charges. The water usage for the months of November, December, and January are added together. This sum is then divided by three, which gives you the winter average. A resident that does not move in prior to November is charged based on the average of 8,000 gallons, until they have had water service through the three months used to calculate the winter average. This calculation method and average are both set by City Ordinance as adopted the City Council.

DRAINAGE UTILITY FEE

On January 4, 2005, the City Council established a drainage utility within the City. Every piece of property in the City contributes to storm water runoff that must be collected, routed and monitored to protect the public's health and safety from loss of life or property caused by flooding, stagnation, and non-point source pollution.

The drainage utility fee is used to offset the growing costs of operating the storm drainage system. These costs include maintenance of the existing system, federal mandates to control storm water runoff, floodplain management and planning, and construction of new drainage facilities. Single family residences are assessed a base fee of \$5.00 per month. Other properties, including multi-family, commercial, and industrial produce storm water at a higher rate and will be charged a fee based on the number of equivalent base units adjusted for the use of property.

All water leaks and sewer stoppages should be reported to the Water Department Monday through Thursday, 7:30 a.m. to 5:30 p.m. and Friday, 7:30 a.m. to 11:30 a.m., at (817) 230-0500. On Friday afternoon, nights and weekends, report leaks and sewer stoppages to the Police Department at (817) 232-0311, Ext. 2360.
