Meeting Date: 07/19/2016

Staff Contact: Nan Stanford
City Manager

Agenda Item: 4b
(CC-0716-02)

E-mail: nstanford@saginawtx.org

Phone: 817-232-4640

SUBJECT: Action regarding Area Metropolitan Ambulance Authority/MedStar 2016-2017 Subsidy

BACKGROUND/DISCUSSION:

Each year the AMAA (Area Metropolitan Ambulance Authority) produces a schedule of price/subsidy options for each member city to consider and select its own transport price. In the attachment you will find various fees per transport amounts with the corresponding subsidy amount per capita. Currently we have an average bill of \$1,448.00 with a per capita subsidy of \$0.00. The AMAA is proposing no increase from the 2015-2016 subsidies and fees. Therefore to continue with the \$0.00 subsidy, the average bill will remain at \$1,448.00.

FINANCIAL IMPACT:

There will be no financial impact.

RECOMMENDATION:

Staff recommends approval of the 2016-2016 subsidy of \$0.00.

June 30, 2016

City Manager Nan Stanford
City of Saginaw
PO Drawer 79070
Saginaw, TX 76179-0070

As required by the EMS Interlocal Cooperative Agreement, the Area Metropolitan Ambulance Authority (AMAA) must produce, by June 30th of each year, a schedule of price/subsidy options. Enclosed is the schedule of price/subsidy options for fiscal year 2016-2017 which begins October 1st.

The schedule of price/subsidy options was prepared utilizing population estimates provided by the US Government Census for 2016. The options are based upon the proposed annual operating budget for the Ambulance Authority for FY 2016-2017.

You may select any combination of price and/or subsidy shown on the enclosed options. By selecting an average fee amount you will set the per capita subsidy. Conversely, by selecting a per capita subsidy amount, you will set the average fee per transport.

The subsidies and fees enclosed represent no increase from 2015-2016. Currently the City of Saginaw has chosen an average bill of \$1448, and a per capita subsidy of \$0, which will remain the same for 2016-17, resulting in an average fee of \$1448, providing your selection is unchanged.

Please make your selection of price and/or subsidy from the enclosed options. The Interlocal Cooperative Agreement requires that each city make its selection by July 31st. Attached is a form you may mail or fax to notify MedStar of your selection.

If you have any questions, please call me at your convenience at (817) 632-0509.

Thank you for your continued participation in, and support of, the MedStar system.

Sincerely,

Douglas Hooten, MBA
Executive Director
